

July 17th 2009

For immediate release:

We are happy to announce that Geraldine Hughes author of the book "Redemption: The Truth Behind the Michael Jackson Child Molestation Allegations," will be attending our Michael Jackson Fan Event!

Geraldine was the sole legal secretary for the father of the then 13-year old boy that accused Mr. Jackson of molesting him, steps forward with new information about the 1993 child molestation case against Michael Jackson and notes the striking resemblance between the 1993 case and the last allegations that resulted in Michael being vindicated.

Books will be available at the event, so come get your book and have it autographed by Geraldine.

The Event will be held at the Sahara Hotel & Casino in Las Vegas, NV August 21st, 22nd, and 23rd 2009 in the Golden Room Banquet Hall.

Our 3 Day Event is a celebration of Michael Jackson's music and legacy, with various Tribute Artists and entertainers.

For fans wanting more info about our event please visit our event web site at
